Principal's Message

Can you believe it is May already!! The 2014-2015 school year will be over before we know it. This school year has brought about many wonderful changes at Cherry Creek. We have successfully implemented the Leader In Me program. Year 1 is the hardest year to get through and we have done it! I am so proud of all of our students, parents, teachers and staff for the work they have put in this year. This group of students has had opportunities never before seen at Cherry Creek. Those opportunities will only grow next year as we continue to build on what we have done. More students will be involved with leadership and we will continue to teach our students leadership skills and the 7 habits.

In addition to The Leader In Me, our teachers and staff have worked harder than ever to give your children a world class education. I want to assure you that our grade level teams have put in countless hours to make sure that each student is getting their individual academic needs met. We care about our students and will continue to work to master our craft so that your children get the very best!

We do not claim to be without flaw and recognize that mistakes are made at times and that we are not perfect. However, we are open to feedback and suggestions. Our goal is to never stop growing and getting better. Please let me know if you have ideas or suggestions that will help Cherry Creek continue to evolve and get better.

Mr. Duncan

Important Note from the Office:

Please make sure your child has enough money in their account to carry them through the final days of school. Students will not be able to charge during the month of May.

Don't forget you can pay online through Paypams at: https://paypams.com/

Please ensure lunch accounts are up to date with no negative balances. Students with negative balances will not be able to participate in field day and/or mini-society. Thank you for taking care of this as soon as possible.

Please call the school if you have any questions!
AM SCHOOL ACCESS

The front doors of the school are opened to students at 8:40. Lunchroom doors are opened at 8:25 to students that are eating breakfast. If there is inclement weather then accommodations will be made and doors will be opened at an earlier time. Students that choose to come into the building at 8:40 need to go to their classrooms and not wander the hallways. Otherwise, students can play on the playground until the first bell rings. Supervision on the playground begins at 8:30.

NOTES FROM THE OFFICE

Attendance- Contact the office if your child will be absent 801-489-2810. Otherwise, it will be an unexcused absence. We are pushing for on-time attendance this year. Have your child at the school by 8:50 to assure that they are in their classroom by the second bell.

Telephone- The office phone should be used for emergencies only. Please help your child memorize telephone numbers.

Checking students in and out of school- If you need to pick up a child during school hours, please come to the office. Please do not go directly to the classrooms! Only those listed on SIS can checkout students unless we hear otherwise from the legal guardian.

Messages to students during school - Please arrange after school plans before your children come to school. We do not like to interrupt learning in classrooms to give a message to students. If you could assist us in this cause, we would greatly appreciate it.

Faculty and Staff Appreciation Week

May 4-8 is Cherry Creek’s Faculty and Staff Appreciation Week. Please take some time to say Thank You to those that work so hard on behalf of your children. A simple thank you note or e-mail goes a long way and means so much to our wonderful staff. Thank you for your support!
