Agenda Item(s):

1. SSC training: Stephanie reviewed and discussed the Power Point presentation.

(Kate Kubina will attend October district meeting)

2 Data update on EOY and BOY data:

Stephanie explained the state goal of 60% of students making typical progress and how we did last year. 76% of our students ended the year reading at grade level as measured by ACADIENCE. Our stretch goal for this year is 80%.

Explanation of ACADIENCE acronyms. Reviewed current ACADIENCE data percentages for each grade level.

3. Feedback on Family Night:

Positive:

- *The setup flow and how clearly it was directed, maps, signs, specific ways to go.
- *The habits signs by each station that helped make it more purposeful and to help make sure parents know how it incorporates into the habits.
- *Community resources being here.
- *Culture Week incorporation and now it went from big and small.
- *Dinner!!
- *Getting parents who haven't been involved before contribute to culture week.

Improvements:

- *Music playing
- *Culture Week—more communication about what is being done at school vs. just dress up days. Give specialty teachers a heads up so they can incorporate cultures into their lessons.

4. Tour of library and info on reveal: All parents in attendance visited the library at Leadership Night. New shelves are coming so everything is eye level for the students. On October 17th there will be a media reveal with the Big 12, students get to participate. Cherry Creek is currently having a library naming contest.

We are working with 2 care centers within walking distance that we can do service for each month, so we can help give back to the community.

Committee Questions/Concerns:

No one at the crosswalk in the afternoons. Take it to the city council?

9//11 day of service backpacks, how many did we receive?

Bus inconsistency concerns.
